Explanation - The amendment reduces general fund in the Business and Income Taxes Division of the Department of Revenue by \$834,757 in FY 2010 and \$782,757 in FY 2011 (\$1,617,514 total for the biennium). It eliminates the addition of 10.00 FTE and costs incidental to the addition of the positions that are associated with decision package DP 9000 (Partial Funding of Business Tax Cut - page A-66 of the narrative) and it strikes the language that makes funding contingent upon passage and approval of SB 315, which has been tabled in Senate Taxation.
